PERFORMANCE RECORD: An NCHA earner of \$1600+ and still being shown.
NOTES: Tucker is as GOOD as they get, so many times we wish we could keep them all and this one is NO different. He is a fancy, 15 hand thick made, talented son of Metallic Cat. In the cutting pen he is easy to show, Stays tight, holds his ends and has a lot of eye appeal on a cow. For his age he is very mature, taken slowly and progressed fast in the roping arena. Makes it so easy to rope both ends on, lets you see feet and works off his hocks when you heel on him and really runs to a cow and rates when you head on him. A ranch horse pleasure contender as well, he has a nice soft lope, ground covering trot, pretty mover, carries his himself well. He is solid in the bridle, works off your leg, has a lead change, and is a good stopper. A real pleasure to ride and use on the ranch crosses water, bridges and logs with ease. Tucker has a lot of manners, likes people and gets along well with other horses. Sound, UTD on worming, dental and farrier. Ms Jesse Dunit
4859948

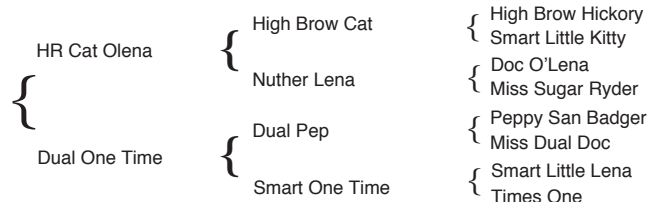

NOTES: Ms Jesse Dunit is the kind of horse everyone wants in their barn. She is gorgeous and well broke. Originally trained by Arab/Quarter Horse trainer Jeffery Wilms, Scottsdale. His son Wyatt showed her in many western shows in Scottsdale, until he was 10 years old, winning most of them. I purchased her when she was seven for my wife. She decided not to ride anymore so for the last 3 years we have been roping on her. She was also ridden in Northern AZ and the White Mountains. We started her on the heel side, however she ropes both ends. She likes the heel side better but of course I like to do nothing but heading. She will continue to be roped on by Jason Hershberger up to sale time.
