Dear Friends,

We are gearing things up for our 13th annual Hershberger Performance Horse Sale. The date is set for February 10th. We will be holding the sale at Double T Arena (formerly Dunns) in Litchfield Park, AZ. As in the past, we will preview horses Friday afternoon, with a jackpot roping. Saturday morning will be roping and cowhorse. Cattle will be available to demonstrate and promote your horse on. Visit our website for information on our past sales and consignment news.

We are inviting you to consign some good performance horses. Our goal is to continue to provide quality horses to sell, in an environment that the buyers can preview and be comfortable with what they are bidding on. Again, we will accept consignments in all areas of performance horses: Team Roping, Calf Roping, Cutters, Reiners, and Cow Horses. 80 horses will be consigned. The sale will be advertised in major magazines throughout the West. With the great weather and winter visitors this time of year it should be a great day for a horse sale. Hope to see you February 9th and 10^h.

Sincerely,

Jason & Nikki Hershberger
